PAYMENT/REFUND/CANCELLATION INFORMATION

Full payments of the October & November amounts are due from parents.

Trip account money will be applied to the December & January amounts due.

Any overpayment by parents will be refunded after Trip Account money has been applied.

We realize that there are many legitimate reasons that a student may have to cancel their reservation. However, we are obligated to have a final list of students given to our travel company by December 10, 2009. We will be charged for every student listed on that date, regardless of their ability to travel.

Complete refunds of all payments are available only until December 10, 2009.

Your student's trip must be paid in full by January 21, 2010, or they will be removed from the rooming list and will be unable to travel to Orlando with the Band.

Band Booster Treasurer, Andy Mihm, will send Trip Account statements at the end of November and the beginning of January. The November statement will indicate how much money has been fundraised by the student up to that point, so they will know how much has been applied to their account. The January statement will indicate the amount due for the final payment.

Please contact the trip co-coordinators with any questions.
